An important and valuable benefit for your clients insured under 360 Commercials' SureDirection Policy is access to FREE legal advice on policy related matters.

1. The relevant clause in the Policy Wording is on page 38 (Extensions item #1) and states:

"The Insurer has arranged for the **advisory panel** to provide, at no extra **charge**, confidential legal advice of up to one (1) hour per enquiry deriving from the same or related facts of any **claim** or **occurrence**, to any **insured person** during the **policy period** with respect to any insuring section of this policy."
