

Complex Risks Property Proposal Form

Important Information

In this proposal form, “we”, “our” and “us” means the **Insurer** (and 360 Commercial Limited on their behalf to administer this **insurance** if permissible). “You” and “your” means **our** customers and prospective customers as well as those who use **our** website. **We** may also use the word ‘**Insured**’ to describe **you**.

Duty of Disclosure

The insureds duty of disclosure

Before entering into a contract of **insurance** with the **Insurer**, each prospective **insured** has a duty to disclose to the **Insurer** information that is material to the **Insurer’s** decision whether to accept the **insurance** and, if so, on what terms. This includes material information about the **insured**, any other people and all property and risks **insured** under the **policy**. Information may be material whether or not a specific question is asked.

There is the same duty to disclose material information to the **Insurer** before renewal, extension, variation or **reinstatement** of a contract of **insurance** with the **Insurer**. The **insured** should also provide all material information when they make a claim or if circumstances change during the term of the contract of **insurance**.

It is important that each prospective **insured** understands all information provided in support of the application for **insurance** and that it is correct, as each prospective **insured** will be bound by the answers and by the information it has provided.

The duty of disclosure continues after the application for **insurance** has been completed up until the time the contract of **insurance** is entered into.

Consequences of non-disclosure

If an **insured** fails to comply with its duty of disclosure, the **Insurer** may be entitled, without prejudice to its other rights, to reduce its liability under the contract in respect of a claim or refuse to pay the entire claim. The **Insurer** may also have the right to avoid the contract from its beginning. This means the contract will be treated as if it never existed and no claims will be payable.

Fair Insurance Code

The **Insurer** is a member of the **Insurance Council of New Zealand (ICNZ)** and a signatory to ICNZ’s **Fair Insurance Code (the Code)**. The Code and information about the Code is available at www.icnz.org.nz and on request.

Privacy Statement

This statement is a summary of **our** privacy **policy** and provides an overview of how **we** collect, disclose and handle **your** personal information.

We are committed to protecting **your** privacy. **We** collect, use and retain **your** personal information in accordance with the requirements of *New Zealand’s Privacy Act*, as amended or replaced from time to time.
