

TLC INSURANCE

360 Compass Web Portal Launch Details.

TLC Insurance are excited to launch on the 360 Compass Web Portal.

Compass streamlines data entry, giving you more time to focus on understanding your brokerage and your clients' needs.

While Compass transforms the way you quote and manage policies, TLC's commitment remains unchanged: specialist products designed for heavy machinery, gold standard claims service, prompt new business turnaround times, long-term premium stability and access to the experience of the People you know.

Within this Launch document, please find the below important information to update your records:

- + Our Underwriting Team
- + TLC Insurance business banking details
